Imsaak/Fajr Salat Note: The original calculated Fajr time is exactly between above mentioned Imsaak and Fajr Salat timings. As a precaution we have subtracted 7 minutes for Imsaak, and added 7 minutes for Salat Fajr. Therefore you will be responsible for your Sawm (fasting) and Salat if you don't follow this precaution. If you exceed 7 minutes from Imsaak time, your Sawm (fasting) will be Batil (void). As far as Tahajjud Salat is concerned, it can be continued during this 7 minutes precautionary time.

Note: The start of each lunar month (Hijiri date) is subject to sighting of the moon. Please contact IEC for updated information if the start of the lunar month is earlier or later than predicted. IEC will update the <http://www.iechusaini.org> and email (only) a revised calendar if this occurs.
