Imsaak/Fajr Salat Note: It is highly imperative that you observe the above-mentioned precautionary time for fasting (stop eating by Imsaak) and pray Fajr Salaat after its respective time. The original calculated time for Fajr is between Imsaak and Fajr Salat that are mentioned in separate columns above. As far as Tahajjud Salaat is concerned, it can be offered during the precautionary time between Imsaak and Fajr Salaat.

Note: The start of each lunar month (Hijri date) is subject to sighting of the moon. IEC will update www.iechusaini.org and email a revised calendar if this occurs.
